

SUPPLEMENTAL LIABILITY INSURANCE

Supplemental Liability Insurance is excess liability insurance that protects you and any authorized driver, as defined in the rental agreement, against third party automobile claims for bodily injury and property damage caused during permitted use of the rental vehicle. The rental agreement may provide some minimum protection for third party liability.

S.L.I. provides you with the following benefits:

- When you accept S.L.I., the policy may provide you with excess coverage for the difference between that provided in your rental agreement and/or any personal insurance that may apply (such as personal auto - the minimum requirement is the state financial responsibility limit mandated by the applicable insurance jurisdiction) and \$ 1,000,000.
- Property Damage limitation is \$ 50,000 on any claim and this limit is included in the liability limit of \$ 1,000,000. Policy limits are in excess of any/all valid and collectible underlying insurance.
- If there is any other valid and collectible insurance in effect (i.e. personal automobile liability coverage) then the available protection under the S.L.I. coverage would be reduced by the amount of the underlying insurance.
- Bodily Injury to, or damage to property of, unrelated passengers while riding in or alighting from the rental vehicle is exclude, if mandated by jurisdiction, liability in these instances is limited to \$10,000 per accident or incident.
